### Agenda:

Timing	Description
15:00 to 15:05	Get settled in the room
15:05 to 15:25	Introductions
15:25 to 16:00	Existing parametric insurance products and programmes
16.00 to 16.20	Products and programmes under conceptual development
16:20 to 16:50	Discussion on key lessons learnt and enabling conditions
16:50 to 17:30	Open discussion. <i>For example:</i> <ul style="list-style-type: none"> <li>• <i>How can we continue to scale these types of programmes and products?</i></li> <li>• <i>How can these programmes and products be applied in Europe?</i></li> <li>• <i>Certain hazards / ecosystems are underrepresented in existing products/programmes. Why is this the case, and to what extent is it appropriate to target these in future?</i></li> </ul>
